

MUTUAL NON-DISCLOSURE AGREEMENT

Effective Date: September 15, 2026

This Mutual Non-Disclosure Agreement (“Agreement”) is executed as of **September 15, 2026**, by and between **Rubrol Engine Inc.**, a Delaware corporation (“Party A”), and **Vanguard Analytics Corp.**, a New York corporation (“Party B”).

1. Purpose. The parties intend to engage in discussions concerning potential commercial and technical integration (“Transaction”). In connection therewith, each party may disclose proprietary confidential information to the other.

2. Confidential Information. “Confidential Information” encompasses all non-public intellectual property, software source code, compiler architectures, business metrics, and financial records disclosed whether orally, in writing, or electronically.

3. Duty of Non-Disclosure. The receiving party agrees to maintain confidentiality using the standard of care reasonable to protect its own similar confidential information, and shall not disclose Confidential Information to any third party without prior written consent.

4. Governing Law. This Agreement shall be governed and construed in accordance with the substantive laws of the **State of California**, without regard to conflict of laws principles.
